Where did the Summer Go?

July and August have passed by so quickly. Peter and I hoped to have a rest but our decision to get a puppy has meant that at least one of us has a very early morning walk, and the other has a late evening walk! At least Daisy enjoys them. She is a rufeiro alentejano in black and white. We look forward to a number of exciting events and talks in the Autumn. We start off our **classical music** season in October with some very talented prize winning young Russians from the St Petersburg House of Music. They will be performing in Porto, Lisbon, Faro and at the Quintinha da Música. We await confirmation from violinist Édua Zadory to perform works by Brahms and Schubert with pianist Irene Ainstein. Pianist Lucjan Luc will be performing in December and he will return in January for something completely different, as accompanist for an exceptionally talented, young, prize winning Spanish double bass player, Vitor Pablo Estrada.

Chris Englefield of Techni-Call.com is finalising work on a Library plug in for our website so people will be able to look at the History Books in our personal Library and be able to borrow them (to be delivered and returned at our frequent lecture dates). Christine Brown is working very hard to update our website and to rationalise the format. We have quite a bit of work to do as we also wish to add photographs to all of the articles. I do urge you to look at the website. If you wish to submit articles or book reviews for the website please e-mail them to me.

My next article for Algarve Resident will be published on 4 September. It is called Férias Ativas - The Churches of Tavira (part 3).

In October we are planning something different - a day's improvisation workshop organised by Barbara Jeske. Barbara is a professional in this field and she has also done some work at the Académia Senior in Tavira. Details to follow.

We look forward to seeing you soon. Best wishes, Lynne and Peter
